PETITION FOR REVIVAL OF AN APPLICATION ABANDONED
UNINTENTIONALLY UNDER 37 C.F.R § 1.137(b)

Sir:

Responsive to the Notice of Abandonment mailed October 6, 2004, Applicant hereby petitions for revival of the above-identified application under the provisions of 37 CFR § 1.137(b) on the grounds that the failure to timely file a proper reply to the Office Communication mailed February 20, 2004 was an unintentional error.

The above identified application became abandoned for Applicant's alleged failure to respond to the Office Communication mailed February 20, 2004. As Applicant believed that all outstanding Office communications had been addressed and that the application was pending, Applicant did not provide a Response.

The entire delay in filing the required reply from the due date for reply until the filing of the present grantable petition pursuant to 37 CFR § 1.137(b) was unintentional, as detailed in the accompanying Statement.

**STATEMENT ACCOMPANYING PETITION UNDER 37 C.F.R. §1.137(b) TO REVIVE
AN UNINTENTIONALLY ABANDONED PATENT APPLICATION**

Sir:

Responsive to the Notice of Abandonment mailed October 6, 2004, this Statement accompanies a Petition for Revival of the above-identified application under the provisions of 37 CFR § 1.137(b) on the grounds that the application was abandoned unintentionally by Applicant. It is respectfully submitted that Applicant's failure to respond to the Notice of Non-Compliant Amendment mailed February 20, 2004 was an unintentional error. The Notice of Non-Compliant Amendment mailed February 20, 2004 indicates the Response filed December 5, 2003 was not fully responsive to the Restriction/Election Requirement mailed October 3, 2003. As Applicant believed that all required replies had been filed, and that the application was pending, Applicant did not provide a further Response.

The entire delay in filing the required reply from the due date for reply until the filing of the accompanying grantable petition pursuant to 37 CFR § 1.137(b) was unintentional.

Applicant's entire delay from the time the Response was initially due until the filing of the present grantable petition pursuant to 37 CFR § 1.137(b) was initially due to the fact that Applicant was unaware that any additional response was due. Applicant's representative did not receive the Notice of Non-Compliant Amendment mailed February 20, 2004 until September 16, 2004, after inquiring into the status of the application. Upon receipt of the Notice of Abandonment mailed October 6, 2004, Applicant immediately determined the status of the situation and had counsel prepare the present petition for revival of the unintentionally abandoned application.

This statement accompanies the Petition for Revival, along with a check in the amount of \$665.00, the petition fee pursuant to CFR §1.17(l) to revive an unintentionally abandoned application:

The present Statement provides the required statement that the entire delay in filing the required reply from the due date for reply until the filing of the accompanying grantable petition pursuant to 37 CFR § 1.137(b) was unintentional.
